Introduccion

Quarto

Quarto enables you to weave together content and executable code into a finished presentation. To learn more about Quarto presentations see <https://quarto.org/docs/presentations/>.

Bullets

When you click the **Render** button a document will be generated that includes:

- ▶ Content authored with markdown
- ▶ Output from executable code

Code

When you click the **Render** button a presentation will be generated that includes both content and the output of embedded code. You can embed code like this:

```
[1] 2
```
